Re: Fraud Alert

Green Valley Special Utility District Customers:

We have been made aware of a fraud alert involving the issuance of Green Valley Special Utility District (GVSUD) fraudulent checks throughout the United States. Scammers are reaching out through a variety of online channels, including simulated advertisements and social media sites. Once an individual purchases or signs up for free merchandise, the defrauder is sent a fraudulent GVSUD check from a lookalike renowned delivery service.

If you receive a check in the mail from GVSUD, please do not cash or deposit the alleged GVSUD check; we ask that you contact our office at 830.914.2330 for further assistance. Our office will verify if the check you received is a valid GVSUD check from our company. We are working with our local and federal authorities to resolve this matter. Any help you can provide would be greatly appreciated.

Sincerely,
