**APPLICATION FOR NON-STANDARD RETAIL
WATER UTILITY SERVICE**

_____ (“Applicant”) requests non-standard water utility service from Green Valley Special Utility District (“Utility”) to property located inside/outside the Utility’s state-certificated service area (“CCN”). Applicant understands and agrees that retail water utility service will only be available under the terms and conditions of Utility’s tariffed extension policies, the regulations of the Texas Commission on Environmental Quality (“TCEQ”), the Texas Water Code and the Texas Health & Safety Code.

By signing and submitting this application for non-standard retail water utility service, Applicant declares that he/she/it is the owner of the property in question or a developer with legal contractual rights to develop the property. If the Applicant is not the landowner or developer, he/she/it must have written legal authority to make this application and to bind the landowner/developer to the terms of any resulting service contract. [Attach copy of sworn power of attorney]

The information solicited below shall be the minimum information the Applicant shall be required to initiate non-standard service to the property in question. Applicant shall also be required to timely provide any additional information required by Utility and/or its designated consulting engineers to evaluate the service request, its affects on Utility’s existing water system and customers and any additional service capacities that might need to be developed to fulfill this request.

This is only an application for non-standard service. Utility is not obligated to provide service until the application has been evaluated and a final service extension contract executed by all necessary parties.
